About This Content

Anti-tank warfare arose as a result of the need to develop technology and tactics to destroy tanks during World War I. Since the first tanks were developed by the Triple 5d3b920ae0

Title: BattleRush - German AT Infantry DLC
Genre: Action, Adventure, Free to Play, Indie, Massively Multiplayer
Developer:
Thunder Devs.
Release Date: 8 Dec, 2017

English

Another nice dlc from the devs. Contains 2 classes 1 class is the anti tank with rpg and 5 rockets and anti tank grenades and 1 class with MG-42 and 500 ammo and anti tank grenades.. A good DLC for those who can't seem to find any AT lying around.
